REPORT OF ACTIVITIES DONE ON NATIONAL READING DAY (19th June)

India celebrates June 19 as the National Reading Day in honour of P N Panicker, the father of the Library and Literacy Movement in Kerala. The activities organized by Department of Computer Science on reading day is to motivate the reading interests of students and to appreciate the reading habits of them.

It was requested everyone to participate in this celebration by writing reviews on books of own choice. A collection of such book reviews is prepared. This will be useful for sharing information on different Books and the same will be useful in introducing books which are not yet read.
It is also recommended everyone to read atleast one new book this week which is not yet read.

All students, faculty members and staff of department of computer science actively participated in activities of this reading day celebrations.

Manjula KA, **Head of the Department, Department of Computer Science.**
