**REPORT OF WEBINAR ON “Improving performance of websites” ORGANIZED ON
29^h May 2021**

This webinar on “**Improving performance of websites**” presented by MrNandakumar Edamana, EPixel Solutions, Palakkad, Kerala (alumni of this department) organized by department of computer science was conducted on 29/5/2021 together with the alumni association.

The speaker discussed the website management process in depth and specifically the methods to improve the performance of websites. The presentation was delivered with an emphasis to impart practical knowledge in this domain. The discussions held during webinar and interactive question answer sessions were very helpful for students in understanding many complexities while managing the websites

There were more than 50 participants in this webinar and all participants including students and faculty members actively participated in this webinar.

A handwritten signature in blue ink, appearing to read 'Manjula KA'.

Manjula KA, **Head of the Department, Department of Computer Science.**
