**REPORT OF WEBINAR ON "CYBER SPACE AND CYBER SECURITY"
CONDUCTED ON ONLINE MODE AS PART OF WORLD COMPUTER
LITERACY CELEBRATIONS ON 3/12/2021**

World Computer Literacy Day is observed on 2nd December every year all over the world. The day is celebrated as the world computer literacy day to create awareness and drive digital literacy in underserved communities worldwide. The day promotes technological skills, especially in children and women, and aims to inspire them to learn more and make their work easier by the use of computers.

Department of computer science conducted a webinar on "cyber space and cyber security" as part of celebrations of world computer literacy day on 3/12/2021. This webinar was coordinated by Dr.Lajish VL and the resource persons were Mr.VinuKumar AR(Senior Director) and Mr.Krishnalal K K(Joint Director) of Control and Instrumentation Group, C-DAC, Thiruvananthapuram.

All aspects related to cyber space and cyber security were discussed in detail emphasizing theoretical and practical aspects by resource persons.

There were more than 40 participants and all participated actively in the event.

Head of the Department, Department of Computer Science.
